Our Mission is to promote excellence in local government through the support and development of our members. Our membership is comprised of over 1,000 members representing 160 Municipalities and 28 Regional Districts across the province.

We offer a wide variety of courses, webinars and workshops on topics of current interest and relevance. We also provide opportunities for our members to connect with other local finance professionals and supporting organizations through regular newsletters, events and our annual Conference and Trade Show in the spring.
